Description & Documents Specifications

Decor Elements 2" Cordless Faux Wood Venetian Blind is designed using a new cordless solution with quality features to enhance any room. Complement your window treatment with a color-matched valance for added elegance or classy room appeal. This Venetian style blind is designed to provide a balance of privacy and room darkness, and all models are easy to adjust and operate with minimum effort. Simply hold the bottom rail and lift the blind to the desired height or pull down to lower. You will find these specialty Cordless Faux-Wood Venetian Blinds available in white, dark oak, and gray finishes as well as a variety of sizes to fit most windows. Our Decor Elements window blinds and shades have been tested and approved by leading consumer groups and Certified Child Safe. We offer safe solutions for homes and facilities where young children and pets are present

Features

- Actual blind size: 51" W x 48" L x 2.25" D
- Cordless design, certified child and pet safe.
- Room darkening, privacy and a timeless look
- 2" PVC moisture-resistant textured slats and rails, equipped with color matching valance for a finished look.
- Width sizes available from 20"-72" in every 1/2" increments. Length sizes available in 48", 64", 72" long.
- Exact width size. The width size you order will be the exact size you receive. Round your width size to the nearest 1/2" to place your order.
- Outside-Mount: Add 6 inches to the overall width of the window opening for full room darkening. DOOR-MOUNT: Recommended to use hold-down brackets.
- Easy to operate, simply hold the bottom rail and then gently raise or lower to desired height.
