

The Passion Tree Exhibit

A 25 painting journey through the Bible.

The "THE PASSION TREE" paintings follow the story of the Bible from Genesis to Revelation. Individual paintings, of each ornament on the tree, illustrate an event in history. The red garland represents the crimson thread of Jesus Christ woven through the entire Bible. Jesus IS from eternity (before Creation) to eternity (after the end of all things), and this garland weaves through all history, showing His Story. The first twelve ornaments show events in the Old Testament and the last twelve illustrate events in the New Testament, and a star representing the glory of God crowns the tree.

The Seek and Find Exhibit

Artwork by Jack E. Dawson with a hidden message.

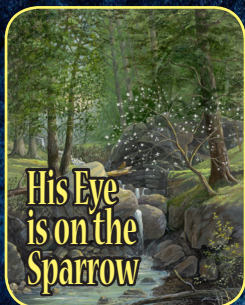

“The Seek and Find Series” of paintings by Jack E. Dawson uniquely challenges you to find a hidden

picture within each painting. Many times the hidden image is of Christ. You may not

“find” the image as you first view the picture within each painting, but once found, you realize that He was there all the time. How true this can be in our lives as we “seek” and “find”

Christ Jesus. According to Jeremiah 29:13, “Any ye shall seek me, and find me, when ye shall search for me with all your heart.” These paintings are excellent conversation and witnessing tools to share your faith with others.
