

## Ways You Can Help The Great Passion Play

- **PRAY:** The backbone of any ministry is the prayer directed to Our Heavenly Father Daily. We need your prayers for guidance, wisdom, and direction in every function of the Play. Please pray.
- **SHARE:** Tell everyone you know and meet about what is going on here in the Ozarks. Share about The Great Passion Play and the other projects. Encourage your friends to come.
- **GIVE:** Giving is a joyous part of our Christian Life and has its origin in the very heart of God as He set the perfect example by giving His only Son. Below are listed some ways in which you can give so that our ministry can continue and expand:
  - o **CASH:** Cash gifts are always received gratefully.
  - o **REAL ESTATE:** You can give property to the Play and take a tax deduction for the full value of the property
  - o **LIFE INSURANCE:** You may give the Play an insurance policy you no longer need, or name the Play as a beneficiary or take out a new policy naming the Play as the owner and beneficiary.
  - o **SECURITIES:** You may give any securities. Those appreciated securities held for more than a year provide a tax deduction based on the fair market value and you avoid paying capital gains taxes.
  - o **BEQUESTS:** Often Christian can give more to the Lord's work at the time of their death than while they live. To name the Play in your will, you need only to indicate us for a specific amount or a percentage of your estate and identify us as the *ELNA M. SMITH FOUNDATION of Eureka Springs, Arkansas 72632*.
  - o **MEMORIAL GIFTS:** For a gift of \$750 or more, you can have your name or that of a special person placed on the large granite monument in front of the Great Wall by the East Jerusalem Gate. Gifts for specific projects can also be made as memorials.
  - o **GIFTS OF VARIOUS ITEMS:** Such things as jewelry, antiques, recreational vehicles, works of art, coin collections, automobiles, construction equipment, construction materials, copyrights and patents are samples of items which can be given to the Play. Some of these items would be displayed in our galleries, other would be used on the Play property, and the balance would be sold to provide cash to assist in the general operations and to complete some of our current projects.
